NATIONAL NEWS

The Technical Services SIS Acquisitions Standing Committee is collecting materials and information concerning Acquisitions Departments in law libraries. The Committee's goal is to

establish a working collection of information to be made available to all AALL members. For example, if you are an academic library setting up a new record-maintenance procedure for acquisitions you would be able to obtain sample forms, procedures, etc. from similar libraries. After collecting the basic information, the Committee will develop a survey/questionnaire based on the material received. All information can be submitted anonymously. If you do not wish your library to be identified, all references to the name of the library can be deleted.

The following information is currently being collected:
(Please include the information requested. The name in parentheses is the person who will be compiling the information.)

ACQUISITIONS FORMS: send examples of all forms used in your Acquisitions Department procedures.
(Mary Ertl)

ACQUISITIONS POLICIES/COLLECTION DEVELOPMENT STATEMENTS:
send any policy statements you may have.
List type and size of library and budget. (Merle Slyhoff)

COOPERATIVE ACQUISITIONS PROGRAMS: submit any information you have concerning cooperative acquisitions programs your library has entered into. Include types of libraries, why you are working together (for example, same city, same type of library, etc.), what is done cooperatively, etc. (Margie Axtmann)

JOB DESCRIPTIONS: send job descriptions of all full time employees. Include type and size of library and budget. (Vivian Campbell)

Send all information and questions to Merle Slyhoff, Biddle Law Library, University of Pennsylvania, 3400 Chestnut Street, Philadelphia, PA 19104, (215) 898-7063).

All members interested in joining the Acquisitions Standing Committee should contact chairperson Merle Slyhoff at the above address. (You must be a member of the Technical Services SIS to join the Committee. Information on joining the Technical Services SIS is available from Gayle Edelman, University of Chicago Law Library, 1121 East 60th St., Chicago, IL 60637.) The Committee has other projects and ideas, but we need your help and welcome your thoughts.

VISITS BEGIN FOR MAALL STAFF EXCHANGE PROGRAM PARTICIPANTS

The first participant in the MAALL Staff Exchange Program visited the University of Iowa Law Library the first week in February. Dawn Biddison from Southern Illinois University Law Library in Carbondale, spent several days in Iowa City learning how the Law Library's reference and circulation departments function, as well as noting other aspects of library operation. A report on the highlights of her visit is planned for the next newsletter.

Dawn also was chosen as a recipient of a MAALL Travel Grant to help pay her expenses (up to \$100.00). Travel grants have been made possible thanks to the support of publishers such as William S. Hein & Company and Oceana. Other travel grants may be awarded in 1983 and the application deadline has been extended until March 31, 1983. Several applications are currently being evaluated by the MAALL Resource Sharing Committee.

MAALL's Staff Exchange Program was designed to help improve the skills of library staff members by encouraging and facilitating visits to other law libraries. In an exchange program a staff member from one library is able to spend several days learning how another library, or department in that library, operates. The different ideas and perspectives on departmental operation learned from the visit should enhance the participant's own job performance upon returning to work.

Results of the survey done last year by the Resource Sharing Committee indicate that summer is the best time to visit many of the libraries. Staff members are encouraged to consider participating in a staff exchange program when making summer plans. Of the academic libraries that responded to the survey, only Drake and Arkansas-Fayetteville indicated that they would be unable to participate.

Staff Exchange Program applications (without a travel grant request) may be made at any time, although early submission of application should increase the chances of the request being approved by the host library. In reviewing a Staff Exchange Program application, the committee will consider training and experience, probable value of the visit to the applicant, and whether or not the host library has already accepted a visitor during the year. Applications for Travel Grants will be evaluated according to need, travel costs, the applicant's previous training and experience, and the probable value of the visit to the applicant.

Applications or additional information are available from the Resource Sharing Committee by contacting John Edwards, University of Oklahoma Law Library, 300 Timberdell Road, Norman, Oklahoma 73019 or (405) 325-4311.

MAALL PLACEMENT

The MAALL Placement functions as a clearinghouse for openings in the membership area. These positions may be professional, paraprofessional, full or part time, for any type of law library. In order to be effective, we need help from prospective employers to keep us posted on positions to be filled. Some of the listings may have been filled by publication date. We apologize for this, but it happens because of the time lag between submission of the list and publication date.

Any law library that has a position that needs to be filled should contact the Placement Chairperson. Anyone interested in law library positions is invited to register with Placement. Job notices will be sent to registrants as soon as they are received by the Placement Chairperson.

The Membership Committee of AALL is conducting a membership drive. In conjunction with this drive, there is a chapter contest with two prizes being given. One prize goes to the chapter bringing in the most new members. The second prize is awarded to the chapter which has the greatest number of new members in relation to the size of the chapter. Size is defined as the total number of paid chapter members as of June 17, 1982.

The guidelines for the contest are as follows:

1. The period of time that new memberships will be counted is June 17, 1982-May 31, 1983.
2. New membership applications must be to AALL by May 31, 1983.
3. For purposes of the contest, student applications will not be counted.

When persons fill out their AALL membership forms, they need a form that has MAALL coded on it. Contact Avis Forsman and Annabelle Beach of the MAALL Membership Committee or Carol Boast for one of these forms. If you have ideas on how MAALL can increase its membership contact:

Both awards are for the amount of \$250 and will be presented at the opening luncheon in Houston in June. The cash awards are intended for use by chapters in assisting with their programs that are related to the profession and purposes of the Association. The Membership Committee of AALL recommends that the awards be used to enhance scholarship or educational programs.

The MAALL Newsletter has a mailing list of 225 of which only about half are MAALL members. Here is a great opportunity to increase our membership and win one of the awards.

DUES NOTICE A SUCCESS

As of October 7, 1982, MAALL had received 1983 dues from 20 people. On the advice of AALL President, Leah Chanin, we did a first class mailing of a dues notice to all 225 people on the Newsletter mailing list. The result was 80 additional members, and some are still trickling in. In 1982, MAALL received payments from a total of 32 members. It appears that the mailing has more than tripled our paid memberships. The University of Illinois paid the postage this time, so all \$400 was an increase in income. However, even if MAALL had paid the postage, our income would have been increased by over \$300. Thus, I am asking the Treasurer to add this mailing as an annual procedure, possibly to be combined with a mailing of committee preference forms which I experimented with this year and found very helpful for giving newer people an opportunity to serve MAALL. If you have comments pertaining to this practice, please let me know or be prepared to discuss it at breakfast in Houston.

AALL MEMBERSHIP DRIVE

The Membership Committee of AALL is conducting an AALL membership drive. In conjunction with this drive, there is a chapter contest with two prizes being given. One prize goes to the chapter bringing in the most new AALL members. The second prize is awarded to the chapter which recruits the greatest

number of new AALL members in relation to the size of the chapter. Size is defined as the total number of paid chapter members as of June 17, 1982. MAALL had 32 paid members on that date so we have a great chance to win the latter prize.

The guidelines for the contest are as follows:

1. The period of time that new memberships will be counted is June 17, 1982 - May 31, 1983.
2. New membership applications must be to AALL by May 31, 1983.

MAALL STAFF EXCHANGE

Dawn Biddison from the SIU Law Library was the first participant in the MAALL Exchange Program. She visited the University of Iowa Law Library from January 31 - February 2, 1983. Below are two reports on the staff exchange. The first one is from Dawn Biddison on her experience as a participant. The second one is from Kathie Belgum of the University of Iowa.

Dawn Biddison:

I was a participant in the MAALL Exchange Program at the University of Iowa Law Library on January 31st through February 2nd. While my visit concentrated on the public services operations, I did get a perspective on the whole library operation.

My three day visit was fully scheduled with activities ranging from coffee with the library staff to a trip to the storage facilities. I was also able to attend the Royal Winnipeg Ballet in the beautiful Hancher Auditorium on the Iowa campus.

During my visit I was able to observe and participate in the operation of the University of Iowa Law Library to get an idea of their procedures. I was impressed with how they handled various tasks such as LEXIS training, reference duties, and carrel usage. Although the SIU Law Library will probably not adopt the University of Iowa Law Library procedures as written, there is always room to adopt certain ideas into our existing procedures. One area that really impressed me was the way information was communicated among staff members. The SIU Law Library is going to try to schedule more informational meetings for the staff in order to increase awareness of the library as a whole.

One observation that I made that was a bit surprising was

that the library I visited was very similar in many ways to my own. I found that many of the services provided by the library such as photocopying for local attorneys are not unique to our library. I liked many of the ways that tasks were handled and especially how job duties were grouped within each position. I came away feeling more reassured about my job at the SIU Law Library.

During my visit I was also able to impart some of my own insights about the SIU Law Library to the Iowa staff. I was able to explain how we handle certain situations and thereby give the Iowa staff some new ideas for consideration. This aspect truly made it an exchange program.

The staff at Iowa were excellent hosts and took great care in providing me with a good experience. I hope that exchange programs like this one can continue. They are very beneficial. My experience with the MAALL Exchange Program cannot be duplicated.

Kathy Belgum:

"What is so rare as a day . . ." when people in the world of libraries can spend enough time with each other to really communicate about ideas and procedures. A recommended method is the "exchange program" which MAALL has just this past year initiated.

The University of Iowa Law Library hosted Dawn Biddison, library assistant in charge of circulation, from Southern Illinois University at Carbondale for three days this past winter. After talking with Dawn on the phone to determine to a fine degree her particular interests a schedule was drawn up. This included time with particular persons in particular departments, coffee breaks to meet the staff, luncheons with specified staff to allow Dawn to speak at length with a cross section of our staff and to allow our staff to meet a counterpart and find out that "Yes, Virginia, there are other library assistants out there in the world of law schools who do comparable tasks." Some scheduled "free" time allowed the visitor to seek out persons and departments which became particularly interesting to her during her stay. An evening at the ballet was even proffered - at the exchangee's expense, however. To the hosts it was a satisfying event; a change to explain philosophies and procedures which is always thought provoking to the instructor. But even more important from our perspective - a chance to get feedback from someone knowledgeable about the inner workings of a law school library. A change to "pick the brains" of a colleague about theory and practice in the profession. For this latter reason it is probably important that participants have enough experience in law libraries to allow for an exchange of information. This staff was pleased with what happened here and would be willing to facilitate more exchanges -- both ways -- in the future.

LAW LIBRARY JOURNAL

The Law Library Journal is now edited by Mid-America members. Charles Dyer (UMKC), editor, and Carol Boast (U of Ill.), associate editor, have completed their first issue (75/1) which should arrive any day now.

Their second and third issues (75/2 and 75/3) are in process and should be out around convention time. Other Mid-American members are serving as assistant editors: Kay Madden and Michele Finerty (UMKC) and Cheryl Nyberg (U of Ill.)

MAUL COMPLETES UNION LIST TRAINING

The second and final training session for Mid-America Law School Library Consortium Union List (MAUL) took place prior to SWALL on March 23-24. Agents from each of the participating libraries have now been trained in Union Listing.

A number of law review entries now have holdings listed for participating libraries on-line on OCLC. Persons responsible for Inter-Library Loan and public services should contact their local union list agent for a demonstration of the Union List system. MAUL agents anticipate that public services staff will be interested and pleased with what has been accomplished since the inception of this project less than a year ago.

Anyone needing additional information on the project may contact Marilyn Nicely at the University of Oklahoma Law Library..

MAALL/AALL CALENDAR OF UPCOMING EVENTS

- Nov. 10-12, 1983 - MAALL Annual Meeting at Tan-Tar-A, Lake of the Ozarks, Csage Beach, Missouri.
- July 1- 4, 1984 - AALL Annual Convention at Sheraton Harbor Island Hotel, San Diego, California.

MAALL ANNUAL MEETING

This year the annual meeting of the Mid-America Association of Law Libraries will take place at Lake of the Ozarks at Marriott's Tan-Tar-A Resort. The dates are November 10-12, Thursday afternoon through Saturday noon. Both the program and the meeting place promise to be exciting.

The program will focus on legal data base services and information technology, and will discuss their significance not only for various types of law libraries but for the various departments within law libraries. Any questions about the program may be directed to James M. Murray, Associate Law Librarian at Washington University in St. Louis.

Tan-Tar-A is a lovely resort hotel with an indoor sports complex consisting of four racquet ball courts, two tennis courts, a universal gym, health spa and a swimming pool. The hotel has set aside a block of rooms for us. The rates are \$46 per room, per day, plus tax, for either single or double occupancy. If you have any special requirements involving local arrangements, please contact Susan Csaky at the University of Missouri-Columbia.

In a few weeks you will receive a more detailed program announcement, the registration form, and a reservation card. Watch for deadlines and respond as soon as possible, but not later than October 5.

DISPLAY AT THE ANNUAL MEETING

The MAALL Program Committee is planning to display at the annual meeting copies of in-house publications -- e.g., user guides, staff manuals, locational maps, charts or diagrams, and any other type of publications designed to assist patrons -- prepared by MAALL libraries and/or individual staff members. Please contact Bob Stivers c/o Stinson, Mag & Fizzell, P.O. Box 19251, Kansas City, MO 64141 (816/842-8600) if you are interested in contributing a copy of such a publication for use in the display.

CONGRATULATIONS TO US

Mid-America won the percentage-based membership drive prize. A check for \$250 was presented to Carol Boast, President, at the opening luncheon of the convention in Houston. Carol informed the crowd that MAALL is ready to win any contests the association holds -- right!?

MINUTES FROM THE MAALL BUSINESS MEETING IN HOUSTON

President Carol Boast brought the June 28, 1983, business meeting to order at 8:00 a.m. in the Live Oak Room of the Hyatt Regency in Houston, Texas, during the 1983 AALL annual meeting.

President Boast gave her thanks to Avis Forsman for her work on the Membership Committee and on the AALL membership drive contest. MAALL tripled the paid membership through the first class mailing sent earlier this year and won the AALL prize for recruiting the most members relative to chapter size. The money will be used for MAALL's conference program at Tan-Tar-A.

Placement officer Shelley Dowling is soliciting resumes of individuals interested in new positions within the region. The question came up as to whether national jobs as well as regional jobs should be included in the newsletter. It was decided to include only regional job descriptions as the AALL newsletter is monthly and will include all national job descriptions. Elizabeth Kelly suggested that law firms which do not have librarians could be made aware of our job placement program.

President Boast reported that the word about our Ozark meeting is "getting around." D. A. Divilbiss and Susan Csaky spoke to the group about the facilities and reasonable room rates (\$46 for a single or double occupancy). The group was encouraged to bring their families and make a vacation of the trip.

Program chairman for the fall meeting, Barney Reams reported that James Murray has done a lot of the program organization. Murray has filled every minutes of the meeting, so that Reams encourages people to stay over and enjoy the resort. Convention rates will be carried through Sunday.

The basic theme for the meeting will be automation in the law library. Jim Hoover from Columbia University has been asked to speak. If able to attend, he will address the topics: bringing automation up to date; future trends, and what they are doing at Columbia. Roger Jacobs has been asked to speak, as well as Phyllis Marion. There will also be data base representatives (CCH, LLES, P-H, Westlaw, and LEXIS) attending the meeting. John Christensen may moderate a group session on data bases. Sessions will be of interest to academic, firm, and court librarians this year and hopefully the program will draw librarians from other regional chapters such as SWALL.

President Boast talked about how this particular meeting is somewhat of an experiment as far as the location is concerned, since traditional MAALL meetings have been held in a school situation.

The Chicago chapter has begun a consulting group, charging fees which go to the chapter. They have asked representatives from other chapters to meet to discuss consulting. Bob Stivers will represent MAALL and will report via the Newsletter.

During the chapter presidents breakfast, Las Vegas was brought up as a city to host AALL. Carol Boast asked the group if there were any strong feelings either way. There were not. Barney Reams only comment was that the program would have to be good enough to justify to the Deans a trip to Las Vegas.

Requests for ad space in the MAALL Newsletter and the current prices charged were brought up by President Boast. The decision was made to bring the ad rates up so that they will be in line with what other chapters are charging.

The cost of producing the newsletter will now need to be absorbed by the association. The University of Missouri-Columbia has been absorbing the cost in the past. Charles Dyer moved to reimburse the University of Missouri-Columbia for the last newspetter and then have the association continue to pay for the cost. It was seconded. Passed.

John Christensen announced that the consortium will have the Rapid Com in each Library from October 1 to October 31.

A new directory is being compiled. There are 101 paid members at present. It has been decided to revise the directory every two years.

Marilyn Nicely gave a progress report on the union list project. 1300 titles are presently on line. The offline products of the union list will not be available until February 1984. Marilyn has prepared a 4 page manual for the union list and will be glad to send anyone a copy.

Eileen Searls discussed the fact that searches of the union list are now available through OCLC and that there are presently 13 libraries on line.

The meeting was adjourned until the fall.

By now, the membership should be familiar with the list of those nominated for the 1983-84 AALL Executive Board. The biographical sketches of all of the candidates are found in the April issue of the AALL Newsletter. The election of the 1983-84 Executive Board was done, via a mail ballot, in May, 1983.

The new Nominations Committee for 1983-84 has been appointed. The Committee wants to begin early to seek candidates for vacancies on the 1984-85 Executive Board and invites the membership to submit names of potential candidates. For the 1984-85 Executive Board, the Committee seeks nominees for Vice President/President-Elect and for two Executive Board seats (four candidates will be nominated by the Committee for these two vacancies).

If you have any suggestions for nominees for 1984-85, please complete the form below and mail it directly to the Chair of next year's Nominations Committee. You are encouraged to provide as much information as possible on each person's qualifications.

The 1984-85 Nominations Committee is composed of: Peter C. Schanck, Chair, and Marvin R. Anderson, Velvet Glass, James L. Hoover, and Robert L. Oakley.

AALL AWARDS

In addition to the Joseph L. Andrews Award, the Awards Committee of AALL announces two additional awards, the Law Library Publication Award, and the AALL Distinguished Service Award, to honor those who have rendered distinguished services to libraries and librarianship. The awards will be administered by the AALL Awards Committee. The winner of each award will be selected according to the criteria stated in the following descriptions. The awards will be presented at the annual conference.

Members of AALL may place names in nomination for any of the three awards. It is especially important that persons are nominated according to the criteria of the award and that such persons or publications be worthy of recognition. COUNCIL OF CHAPTER NEWSLETTER EDITORS FORMED

An informal meeting of all chapter newsletter editors was held at the AALL convention in Houston. At this meeting it was decided to form a Council of Chapter Newsletter Editors with Merle Slyhoff of the Greater Philadelphia Law Library Association

(GPLLA) acting as coordinator.

Various problems and solutions that editors face when putting out a newsletter were discussed. Some of these include financial support for the newsletter, accepting advertising, how mailings are handled, who gets copies, and sharing information with other chapters.

It was decided that as much as possible each newsletter should be sent to the editors of the other chapter newsletters. GPLLA newsletter will act as coordinator. If a chapter feels it can not afford to send a copy of their newsletter to each editor and to each chapter president then they will send copies to the chapter presidents and one copy to the GPLLA newsletter. Important notices that appear in the various newsletters will be summarized and will be published in the GPLLA newsletter.

EDITING WORKSHOP

The Education Committee of AALL is sponsoring a one-day editing workshop on July 5 following the annual meeting. The co-directors for the workshop are Carol Boast of the University of Illinois and Kathy Larson of the Civil Rights Library of the U.S. Department of Justice. The workshop will be directed toward both journal and newsletter editors. The tentative program for newsletter editors includes editing, proofreading, graphic techniques, publication management issues such as advertising policy and contracts (e.g., with printers), and work scheduling. Sessions planned for journal editors include some of the above plus the Bluebook, style manuals, grammar and techniques for working with authors. The registration fee will be waived for anyone currently working on AALL publications.

EXCHANGE OF DUPLICATES COMMITTEE

The Committee invites you to join its 1983-84 program and participate in its exchange of law and law-related materials. Last year's membership totaled more than 200 libraries, with participants from the United States, Canada, Guam and Puerto Rico.

This year six lists will be issued with legal periodicals in English again being exchanged. In addition, the 1983-84 program will offer U.S. federal government publications.

The cost of a subscription to the exchange lists is \$15.00. Checks should be made payable to AALL.

It is not necessary to be a member of AALL to participate in the program. To join or for further information contact Margaret Lundahl, Duplicate Exchange, 10128 Avenue J, Chicago, Illinois 60617. (312-734-0841 or 768-1270).

APPLY NOW FOR STAFF EXCHANGE PROGRAM

Library staff members who would like to visit other law libraries in the next year should begin their planning in the next few months. Applications are now being accepted for the MAALL Staff Exchange Program. In an exchange program a staff member is able to visit another library to see how it or one of its departments operates. The most recent participant in the exchange program was Mary Stultz of Creighton University Law Library. She visited the law librarians at St. Louis University and Washington University in August. The visit proved to be beneficial for her and for the host institutions.

Travel grants of up to \$100 are available to cover expenses involved with visiting other libraries as part of the staff exchange program. Staff members should make application for the 1984 travel grants by March 31, 1984. For more information on applications contact the Resource Committee Chair: John Edwards,

University of Oklahoma Law Library, 300 Timberdell Road, Norman, Oklahoma 73019 or (405) 325-4311.

1984 DUES

It is time to pay your 1984 dues. Please enclose a check with the form at the bottom of this letter and send it to our treasurer, Sharon Pickett (address on form), and she will send you a receipt if you need one.

We had a delightful visit to Tan-Tar-A at Csage Beach, Missouri, this fall. Susan Csaky and D. A. Divilbiss provided warm hospitality and good food in beautiful surroundings. James Murray and Barnie Reams organized an excellent program that included guests Roger F. Jacobs, Phyllis Marion, and James Hoover as well as our members Patricia Anderson, Avis Forsman, Bob Kelly, John Christensen, and Laurel Wendt. Six companies set up exhibits and participated in a panel on electronic data bases. Minutes of the business meeting will be published in the MAALL Newsletter. (Watch for your newsletter - it comes by bulk mail and looks like junk mail!)

Mark your calendar for upcoming MAALL events:

1984 - July 2 (Monday) - 7:30-9:00 a.m. - Chapter Breakfast in San Diego

1984 - October 11-13 (Thursday-Saturday) - Annual Meeting in Champaign, Illinois

We were only given one choice for the date of our Chapter breakfast, so I am afraid we will conflict with the Southwestern Chapter this year. Tim Kearley, Local Arrangements, and Michele Finerty, Program, are busy planning for the 1984 annual meeting which will be held on the University of Illinois campus. I hope to see you all in San Diego and Champaign.

Sincerely,

Carol Foast
President, 1983/84
